SKILLS SUMMARY

- Languages:** Java, JavaScript (NodeJS), Python
- Frameworks & Libraries:** Express, React
- Tools/Platforms:** MongoDB, GitHub, VS Code, Postman, Fast API
- Soft Skills:** Creative Thinking, Communication, Project Coordination, Flexibility

PROJECTS

- Scalable Message Queue System – Backend | Node.js, Express, RabbitMQ, MongoDB, Microservices**
Feb 2025- April 2025
 - Developed a **Queue Management System** following a **microservices architecture**.
 - Implemented RabbitMQ for reliable message brokering and MongoDB for persistent storage of messages and queue metadata.
 - Designed and integrated multiple microservices for **producer, consumer, and monitoring services**, ensuring seamless message delivery and processing.
[GitHub Repository](#)
- Talent-IQ – Interview and Coding Platform | React.js, Node.js, Express, MongoDB, Clerk** **Jan 2025 – Feb 2025**
 - Collaborated with a team to develop a full-stack interview platform enabling 1-on-1 live video interviews with-time audio/video controls, screen sharing.
 - Implemented secure authentication and authorization using Clerk, ensuring role-based access and protected interview rooms.
 - Developed real-time chat messaging for seamless communication between interview participants.
[GitHub Repository](#)
- KrashakSetu– Mobile App| React Native, Firebase** **Sep 2024 – Dec 2024**
 - Developed a cross-platform mobile application using React Native and Firebase for farmers to gain direct access to markets as part of the SIH 2024 Hackathon.
 - Enables farmers to list crops and dairy products for sale, allowing customers to purchase directly through the app.
 - Streamlines delivery of products to buyers, eliminating intermediaries and ensuring a more stable income for farmers.
 - Assisted as the debugging and data managing through the Firebase.

ACHIEVEMENTS

- BITS Pilani Postman API Hackathon (2024-2025)** **January 2025**
Competed in the BITS Pilani Postman API Hackathon (2024-2025), honing API design and implementation expertise.
- Smart India Hackathon 2024 Finalist:** **December 2024**
Achieved the status of Grand Finalist in the Smart India Hackathon (SIH) 2024, showcasing advanced application development skills.
- Rajasthan Police Hackathon 1.0 Participant:** **January 2024**
Participated in the Rajasthan Police Hackathon 1.0 (2024), focusing on real-world problem- solving through innovative tech solutions.

CERTIFICATIONS

- Python 101 for Data Science** **January 2025**
Cognitive Class – [Certificate Link](#)
- Postman API Fundamentals Student Expert** **January 2025**
